

## Harbour Hospital

### ***Introduction***

Consultants are critical to each Circle Health Group hospital. However, in common with other private healthcare operators and in most instances, Circle Health Group does not employ these consultants. Instead, most consultants working in our hospitals are self-employed practitioners who see and treat patients at our hospitals under the terms of our “Practising Privileges” policy.

In 2014, the Competition and Markets Authority issued an Order (the “**CMA Order**”) regulating the relationships between private hospital groups and consultants who have Practising Privileges or treat private patients or refer them for tests at group facilities (“**Referring Clinicians**”).

In accordance with the CMA Order, hospital operators are prohibited from entering into any incentive schemes that are designed to encourage Referring Clinicians to refer private patients to, or treat private patients at, their facilities. Circle Health Group does not operate any such schemes. The Order also requires hospital operators to disclose information about certain arrangements they have with Referring Clinicians, including: ownership interests held by Referring Clinicians in the hospital operator or in equipment used in the hospital; the provision of certain “high value” services to Referring Clinicians; the availability of “low value” basic amenities for Referring Clinicians; and any remuneration for services provided by Referring Clinicians to the hospital. Set out below is information about the arrangements we have with Referring Clinicians at our hospital.

### ***Higher Value Services***

We charge our Referring Clinicians £23 per hour (including VAT) for using consulting rooms at our hospital and £15 per hour (plus VAT) for using our medical secretarial services, except in relation to NHS patients.

### ***Lower Value Services***

We provide a number of support services to our Referring Clinicians, for which we do not make a charge. Further details regarding these arrangements are provided on our [corporate webpages](#).

### ***General Corporate Hospitality***

At this hospital, we provide general corporate hospitality as detailed on our [corporate webpages](#).

In addition to the arrangements detailed on our corporate webpages, we invite members of our hospital Medical Advisory Committee to an annual dinner. The hospital’s senior management team are also invited to attend. The dinner approximately costs £1,000.

Our hospital also holds specialty dinners at intervals during the year with groups of Referring Clinicians as information gathering and sharing events. All Referring Clinicians in a speciality are invited and the average cost is approximately £50 per head.

In exchange for services provided by the hospital to AFC Bournemouth, to the approximate value of £1,500, the hospital receives sponsorship opportunities and invitations to one game a year, which the hospital makes available to staff and Referring Clinicians.

### ***Financial Interests***

There are no Referring Clinicians with financial interests in equipment used or services and facilities operated within or at our hospital.

### ***Services Arrangements***

There are no service arrangements between Referring Clinicians and our hospital.

### ***Clinical Chair***

Mr Andrew Hilton is the Clinical Chair of the hospital. Mr Andrew Hilton's role includes chairing hospital Clinical Governance Committee meetings and attending the hospital's Senior Management Team meetings. Mr Andrew Hilton is paid £12,000 per year for these services. In addition, the Clinical Chair will also attend national Clinical Chair meetings, generally in London, for which we reimburse their reasonable travel and attendance expenses.

### ***Questions***

Should you have any further questions in this area, please contact us by email at [company.secretary@circlehealthgroup.co.uk](mailto:company.secretary@circlehealthgroup.co.uk).
