

## The Runnymede Hospital

### ***Introduction***

Consultants are critical to each Circle Health Group hospital. In common with other private healthcare operators and in most instances, Circle Health Group does not employ these consultants. Instead, most consultants working in our hospitals are self-employed practitioners who see and treat patients at our hospitals under the terms of our “Practising Privileges” policy.

In 2014, the Competition and Markets Authority issued an Order (the “CMA Order”) regulating the relationships between private hospitals and consultants who have Practising Privileges or treat private patients or refer them for tests at private facilities (“Referring Clinicians”).

In accordance with the CMA Order, hospital operators are prohibited from offering any incentive scheme or arrangement, whether legally enforceable or not, or incentive, which is intended to induce or may be reasonably regarded as inducing Referring Clinicians to refer patients to, or treat private patients at, their facilities. Circle Health Group does not operate any such schemes. The Order also requires hospital operators to disclose information about certain arrangements they have with Referring Clinicians, including: ownership interests held by Referring Clinicians in the hospital operator or in equipment used in the hospital; the provision of certain “high value” services to Referring Clinicians; the availability of “low value” basic amenities for Referring Clinicians; and any remuneration for services provided by Referring Clinicians to the hospital. Set out below is information about the arrangements we have with Referring Clinicians at this hospital.

### ***Higher Value Services***

We charge our Referring Clinicians £22 per hour for using consulting rooms at our hospital and £20 per hour (plus VAT) for using our medical secretarial services, except in relation to NHS patients.

### ***Lower Value Services***

We provide a number of support services to our Referring Clinicians, for which we do not make a charge. Further details regarding these arrangements are provided on our corporate webpage [here](#).
